Why didn't I embrace
Those days you spent with me
For now I know when I look back in time
It's so easy to see

While I lived my dream
I was seeking a fantasy
And here I am all alone again
Left with memories

Now you're so far away from me

I'd die to live apart
From the dream of true love
The voice inside me
Is pushing me too far

And your love
Loving you is so hard
I've tried for so long
But I'll never be enough

I'm bound to stumble
Every time I try to fly
Can't get up, can't take a breath
I fall down, I cry

No light in the end
Sunshine after the rain
The only thing that I've got left
Is the blood inside my veins

Now you're so far away from me

I'd die to live apart
From the dream of true love
The voice inside me
Is pushing me too far

And your love
Loving you is so hard

I've tried for so long
But I'll never be enough
