Taste the bitter wind
My lungs are filled with waste

This place, a church of steel
Burns under my, burns under my bare feet

Carry me home
I've lived in a lie
Killed all I used to be
Carry me home
I lost control
Got lost in a role for too long
Carry me home

The halls with marble walls
Reflect my fear, my smile so insincere

Carry me home
I've lived in a lie
Killed all I used to be
Carry me home
I lost control
Got lost in a role for too long
Carry me home

Carry me home
'Cause I won't go alone
Home
Carry me home
'Cause I won't go alone

Carry me home
I've lived in a lie
Killed all I used to be
Carry me home
I lost control
Got lost in a role for too long
I lost control
Got lost in a role
I've lived in a lie
Killed all I used to be

I lost control
Got lost in a role
I've lived in a lie
Killed all I used to be
Carry me home
