Once again  
They tell me that I'm  
Insensible  
It must be true,  
It's always the same accusation

You don't feel well  
And you seek  
A reason,  
I guess it's me,  
I guess it's my lack of compassion

And I fake to sympathize  
With the struggles you endure every single day

These desperate cries  
Surround my isolation  
I wanna be alone  
Am I whole? Am I hollow?

Before my eyes the most beautiful girl cries  
Still I run to avoid any complications  
And I fake to sympathize  
With the struggles you endure every single day

These desperate cries  
Surround my isolation  
I wanna be alone  
Am I whole? Am I hollow?

When heaven descends to the  
Palms of my hands  
I wanna be alone  
Am I whole? Am I hollow?

These desperate cries  
Surround my isolation  
I wanna be alone  
I wanna be  
When heaven descends to the  
Palms of my hands  
I wanna be alone

I wanna be
