Take this night and make it what you want it to be  
With no regrets or shame

Bring your friends and let this party never end  
You know how to do it yeah

Tonight you get to be a superstar  
(to be a superstar)  
You got what it takes to go far  
(takes to go far)  
Everybody knows who you are  
(knows who you are)  
Shake it, shake it, shake it on the dancefloor

Feel the beat of the night, get crazy  
Put yourself on the edge  
Feel the fire within you baby  
You're the queen of the night

Make your move and show them  
What you're made of  
Nothing can stop you now

You know how to get what you wanna get  
There's no need for words to be said

Tonight you get to be a superstar  
(to be a superstar)  
You got what it takes to go far  
(takes to go far)  
Everybody knows who you are  
(knows who you are)  
Shake it, shake it, shake it on the dancefloor

Feel the beat of the night, get crazy  
Put yourself on the edge  
Feel the fire within you baby  
You're the queen of the night  
Feel the beat of the night, get crazy  
Put yourself on the line  
Feel the fire within you baby

You're the queen of the night

Morning is out of her sight  
Tonight she takes it all  
Tomorrow will have to wait  
'Cause she doesn't care, doesn't care  
She's got this night

Feel the beat of the night, get crazy  
Put yourself on the edge  
Feel the fire within you baby  
You're the queen of the night  
Feel the beat of the night, get crazy  
Put yourself on the line  
Feel the fire within you baby  
You're the queen of the night
