I see a thousand corridors
And Iâ€™ve walked through them all
Nowhere an open door

Iâ€™m imprisoned by my love
Who is chained by the fears
Affection turned into tears

Thereâ€™s a part of me that just wonâ€™t take the pain
Thereâ€™s a part of me that wants to burst into flames
And break all the chains

Take a shot
Of my poisonous blood
Iâ€™ve got a fever and it wonâ€™t drop
As long as youâ€™re in my life

Take a shot
Of my poisonous blood
Iâ€™m a fever, Iâ€™ll burn you up
So youâ€™d better spin me out of your life

Iâ€™m the virus that tears you apart
The disease that sucks the life
Out of your faith heart

You need distance from me
Rush to the arms of solitude
Itâ€™s the only cure

Thereâ€™s a part of me that just wonâ€™t take the pain

Thereâ€™s a part of me that wants to burst into flames
And break all the chains

Take a shot
Of my poisonous blood
Iâ€™ve got a fever and it wonâ€™t drop
As long as youâ€™re in my life

Take a shot
Of my poisonous blood

Iâ€™m a fever, Iâ€™ll burn you up
So youâ€™d better spin me out of your life

Cut me out of your life
I wanna see
You free of all the hurt that I have caused you

TAKE A SHOT
SHOT
Of my poisonous blood
Iâ€™ve got a fever and it wonâ€™t drop
As long as youâ€™re in my life

Take a shot
Of my poisonous blood
Iâ€™m a fever, Iâ€™ll burn you up
So youâ€™d better spitn me out of your life
Spin me out of your life
Spin me out of your life
Spin me out of your life
Spin me out of your life
