I've been running to let go
I've been running away from home
My knees no longer hold
But I can't stop

It's still too easy to run

Time and Time again you fade away
And I wonder how you
Still manage to beat the hell out of me
Time and Time again you seem to fail
But it seems that you can
Still manage to crush my self-esteem

I'm hoping when I'm gone
You realize I'm not strong
That I would suffocate my will to play along
And I wish you'd understand
I've sacrificed all I can

To share my soul with you

Time and Time again you fade away
And I wonder how you
Still manage to beat the hell out of me
Time and Time again you seem to fail
But it seems that you can
Still manage to crush my self-esteem

I got lost in fire
I tried to get away
But the flames grew higher
Too high for me

Time and Time again you fade away
And I wonder how you
Still manage to beat the hell out of me
Time and Time again you seem to fail
But it seems that you can
Still manage to crush my self-esteem

Time and Time

Time and Time
Time and Time again
Still manage to beat the hell out of me
Yeah
yeah
Still manage to crush my self-esteem
