Chinky, buttah, kienji, serenade

Lovher

What you about to hear

Is something that you never heard before

So chinky show them how we do it

A nigga just got paid it's friday night

All my wardes in the party and ya doin' it right

Give a pound to my niggas to my left and right

Cause my people came to party til the early light

Niggas all up in my face

Playa playa no time to waste

Playa playa put his hand on my waist

So I looked him straight dead in his face and said ah

[chorus]

You don't know me

You don't really know me

You say I'm sexy

But you really wanna sex me

Would you like to see me on my back

Would you like to see me lick your neck

Or would you like to see me soakin' wet

Would you to hit it from the back

Or would you like it if I made you mine

Would you do it to me all the time

Would you like if it was only sex

I don't think you're ready for me yet

My name is buttah and that is serenade

Blonde chinky chinky and they call her ms. thang

Stick your eyes on my titties

Cause you know I got thumps

And you know that it's buttah baby

Best believe it

Playa playa pulled out tonight

Playa playa tried to blow on my spot

Playa playa wanna see what I got

Got tha money but you can't get the trust

Because'

You don't know me
You don't really know me
You say I'm sexy
But you really wanna sex me
Would you like to see me on my back
Would you like to see me lick your neck
Or would you like to see me soakin' wet
Would you to hit it from the back
Or would you like it if I made you mine
Would you do it to me all the time
Would you like if it was only sex
I don't think you're ready for me yet

From the top of the world
Shit gotta let em know
You ain't playin' no games
Don't be coming like that
Now it's time to show
Chinky brown eyes, buttah
Serenade, ms. thang
Show em how we do
Come on show em how we do
Uh

You don't know me
You don't really know me
You say I'm sexy
But you really wanna sex me
Would you like to see me on my back
Would you like to see me lick your neck
Or would you like to see me soakin' wet
Would you to hit it from the back
Or would you like it if I made you mine
Would you do it to me all the time
Would you like if it was only sex
I don't think you're ready for me yet

What you think you know me
Then tell me what I'm thinkin' now
What is it I do late at night
Do I pretend like someone's between my thighs
Will I be dreamin' of you at night
Is that what you like
Well what I wanna know is
Can you love me
I didn't think so
