Hey girl let me holla at you
For a minute it wont take long
You see we've been good friends
For a while and I hope you wont
Get mad at me and try to act fool
Cause it wasn't my fault
So before you hear it twisted from somebody else
I'll tellyou myself

That your man tried to holla at me
Your man tried to get with me
Said your man when behind your back
But he found out I don't get down like that

But I had to tell you

That your man tried to holla at me
Your man tried to get with me
Said your man when behind your back
But he found out I don't get down like that

A friend forever that's why
I had to tell ya

That your man tried to holla at me

Your man tried to get with me
Said your man when behind your back
But he found out I don't get down like that

That your man tried to holla at me
Your man tried to get with me
Said your man when behind your back
But he found out I don't get down like that

I said he tried to holla
He told me I should call him
But you're my girl
So I thought I had to tell you
That your man...
