Did you ever have to make up your mind?  
You pick up on one and leave the other one behind  
It's not often easy and not often kind  
Did you ever have to make up your mind?

Did you ever have to finally decide?  
And say yes to one and let the other one ride  
There's so many changes and tears you must hide  
Did you ever have to finally decide?

Sometimes there's one with deep blue eyes, cute as a  
bunny  
With hair down to here and plenty of money  
And just when you think she's that one in the world  
Your heart gets stolen by some mousy little girl

And then you know you better make up your mind  
And pick up on one and leave the other one behind  
It's not often easy and not often kind  
Did you ever have to make up your mind?

Sometimes you really dig a girl the moment you kiss  
her  
And then you get distracted by her older sister  
When in walks her father and takes you in line  
And says, "Better go home, son, and make up your  
mind"

Then you bet you'd better finally decide  
And say yes to one and let the other one ride  
There's so many changes and tears you must hide  
Did you ever have to finally decide?
