"My Gal"

I will be there in the mornin'
If I don't get killed
Yes and, if I never no more
See you again I simply
Sure do remember me

Well, a rich gal loves to party, she loves to carry on
And a poor gal would do quite the same
Yeah, but my gal is satisfied just to be with me
You know she'd love me just the same

Chorus:

[instrumental]

Now a rich gal will kick you. She'll bop you with a stick
And a poor gal would do quite the same.
Heh, but my gal 'll get rusty razors and run you all over
town
You know she'll catch up with you just the same

I will be there in the mornin' if I live
I will be there in the mornin'
If I don't get killed
Yes and, if I never no more
See you again I simply
Sure do remember me
Well, and if I never no more
See you again I simply
Sure do remember me
