Everytime I see this Greyhound bus go roll-in
Down the line
Makes me wish I talked much more to you
When we had all that time
Still it's only wishin' and I know it's nothin' more
Never goin' back, never goin' back,
Never goin' back
Oh to Nashville anymore.

Oklahoma City, yes I know
That she won't treat me cruel
Denver, Colorado,
Never made me feel like such a fool
These are only cities
But they're cities without you
Never goin' back, never goin' back,
Never goin' back
Oh to Nashville anymore.
