

Lovin Spoonful "Younger Girl"

Visit "[Younger Girl](#)" on MotoLyrics.com

She's one of those girls who seems to come in the
spring
One look in her eyes and you forget everything
You had ready to say
And I saw her today, yeah

A younger girl keeps a-rollin' 'cross my mind
No matter how much I try
I can't seem to leave her memory behind
I remember her eyes, soft dark and brown
Said, "She'd never been in trouble, even in town"
A younger girl keeps a-rollin' 'cross my mind

No matter how much I try
I can't seem to leave her memory behind

A younger girl keeps a-rollin' 'cross my mind
And should I hang around, acting like her brother
In a few more years, they'd call us right for each other
And why, if I wait I'll just die, yeah

A younger girl keeps a-rollin' 'cross my mind
No matter how much I try
I can't seem to leave her memory behind
I remember her eyes, soft dark and brown
Said, "She'd never been in trouble, even in town"
A younger girl keeps a-rollin' 'cross my mind

She's one of those girls who seems to come in the
spring
One look in her eyes and you forget everything
