Download the introduction

We bout to change some lives

and when the whole world\\'s repeating this then

we\\'ve arrived

This for my generation

my family and friends

we\\'ve all been through the fire so now we bout to

start this trend

I see this like a movement

an anthem for this time

the match that sparks improvement concentrated in my
rhymes

there\\'s power in expression

to move the public eye

there\\'s power in this music - we decide there\\'s

\\'no compromise\\'

economies have fallen

we all could use a boost

i wonder what would happen if we started spillin\\'

truth

a task that\\'s overwhelming

but I can surely dream

a demonstration of when words become like laser
beams

we\\'ll make the news with this one but

that ain\\'t what we about

three words that make a difference

tweet \\'em - \\'mma spell \\'em out

here what you say when you\\'re feeling at an end

it\\'s simple y-e-s-i-c-a-n

(Christian)

When people tell you what you\\'ll never do - \\'Yes I
Can\\'

You wanna be apart of something new - \\'Yes I Can\\'

\\\\"Yes I Can\\\\"
\\\\"Yes I Can\\\\"
If you believe in making history - \\\\"Yes I Can\\\\"
You wanna help us shape the industry - \\\\"Yes I Can\\\\"
\\\\"Yes I Can\\\\"

\\\\"Yes I Can\\\\"

(Christian)

I believe collectively
we could soon effectively
help to bring positive change all prospectively
so we\\\\"ll selectively
speak this objectively
\\\\"yes i can\\\\" when a problem is perpetually
holding us back from what we feel is our destiny
yes I can when circumstances get the best of me
one simple phrase that you speak everyday

while at school - while at work
as we slowly move away
from the old to this new
where your future\\\\"s up to you
where the \\\\"once we wished\\\\" is the \\\\"now we do\\\\"
see there\\\\"s power in our numbers
here\\\\"s the choice - it\\\\"s up to you
take a moment - find a way to help me grow this into
the new thing someone says
off the top of their head
when this life brings resistance
i need your assistance
Yes I can - and I will with persistence
Now is our time - don\\\\"t miss this! Listen!

(Christian)

When people tell you what you\\\\"ll never do - \\\\"Yes I

You wanna be apart of something new - \\\\"Yes I Can\\\\"

\\\\"Yes I Can\\\\"
\\\\"Yes I Can\\\\"

So here\\\\"s what you do
If this music speaks to you
Twitter, Facebook and YouTube
every time you run into
obstacles that hinder you

from what you know you should do
be creative and be cool
yo together we will do
anything that we choose
show the world just how much power\\\'s in a simple
\\\'me and you\\\'"
and when people tell you stop it tell \\\'em change is
overdue
\\\'Yes I can\\\'" - you should to
there\\\'s a song I got for you
Here\\\'s the link - just listen to it

(Christian)

When people tell you what you\\\'ll never do - \\\'Yes I
Can\\\'"
You wanna be apart of something new - \\\'Yes I Can\\\'"
\\\'Yes I Can\\\'"
\\\'Yes I Can\\\'"
If you believe in making history - \\\'Yes I Can\\\'"
You wanna help us shape the industry - \\\'Yes I Can\\\'"
\\\'Yes I Can\\\'"
\\\'Yes I Can\\\'"
