

## Low "Immune"

Tell me is the time as slow  
Only when your eyes are closed  
Do we stand to waste some more?  
Am I still immune?  
Am I naked too?

Does it taste like home?  
Only when your eyes are closed  
Have you been away too long?  
Am I still immune?  
Am I naked too?  
Am I naked too?

Tell me is the time as slow  
Only when your eyes are closed?  
Is the point to stay too long?  
Am I still immune?  
Am I naked too?  
Am I naked too?  
Feels like being used
