

Low
"In Silence"

Visit "[In Silence](#)" on MotoLyrics.com

They put the treasure deep inside us

Inside us

Inside us

They thought the desert would divide us

Divide us

Divide us

With silence

With silence

With silence

With silence

They filled our hearts and hands with violence

With violence

With violence

It's time to leave the fields behind us

Behind us

Behind us

In silence

In silence

In silence

In silence

In silence

In silence

In silence
