

## Low "La La La Song"

Visit "[La La La Song](#)" on MotoLyrics.com

All these years you've been speaking without breathing  
Spinning closer to the sun  
Had your way with an unsuspecting public  
Little threads are all it takes  
La la la la...  
I have learned all your secrets, so familiar  
I know where you lay your head  
Fear of god and a disappointing father  
Holds the hand around your neck  
La la la la...  
Sometimes I could just choke myself with laughter  
Sometimes everything's so true  
So when you come down from your death-defying  
labors  
I'll still be in love with you  
La la la la...
