Sunrise and I see her eyes
Oh, why'd you come, and oh, why?
Eternally break the spell
I try to tell, but I don't

Oh nightingale, oh nightingale
Oh nightingale, don't you cry

So sad and my eyes go dead
So red, so empty, so red
You smile I chase my tail
You laugh like hell, but I don't

Oh nightingale, oh nightingale
Oh nightingale, don't you cry
Don't cry, don't cry, don't cry

Oh nightingale, oh nightingale
Oh nightingale, oh nightingale
Oh nightingale, oh nightingale
