Dream the day
Caught in the sway
Miles gone inside
Into the air
I take a breath
No longer care
To be the death

Even time
We took a light
Songs leaving alive
Into the air

I take a breath
No longer dare
To be the death of you
Of you
So blue
So blue
With you

And into the air
We take a chance
Can no longer bare
To miss the dance
With you
With you

So blue
So blue
With you
With you

So blue
So blue
With you
With you

So blue
So blue
With you

With you

So blue

So blue
