Always one thing or another,
Just as I start too recover,
Out my Blindsight came a Landslide
Knocked me off the ground...

It seems I'm out there on my own,
I'll have to do this one alone...

Save my soul,
I'm all alone,
Bring me home,
Where I belong...

Uninvited,
You decided,
You don't need me,
I don't like it,
Sorta shallow,
You've got no soul,
You just go on,
With what you know...

I'll have to do this one alone,
It seems I'm out there on my own...

Save my soul,
I'm all alone,
Bring me home,
Where I belong...

You hung me out to dry for so damn long I lost all hope,
You only did the things that help you out and help you
cope,
You just don't understand why I'm lost and feel so all
alone...

Save my soul,
I'm all alone, (Save me, Save me)
Save my soul,
I'm all alone, (Save me, Save me)
Bring me Home,
Where I belong, (Save me, Save me)

Save my soul, (Save me, Save me)
You gotta bring me home. (Save me, Save me)
