Can I lay next to you  
Forget about all the bad things  
We've been through  
All we have is this  
Precious time  
And I don't want to lose you  
I don't want to lose you

So take my hand and remember  
How it use to be  
When it was just you and me  
We had our hearts

Together  
You said forever  
We'd be together  
You said forever

Can we go  
Back in time  
When everything we knew was  
Right inside  
Now we're so lost  
But I cant forget you  
I cant forget about you

Take these words that  
Ive lent to you  
And hold them to the sky  
You'll remember when it was  
Just you and me  
We had our hearts

Together  
You said forever  
We'd be together  
You said forever
