hotter than a peurto rican mama  
suckin? on ice in a sauna  
hotter than a little cheerleader  
throwin? back cheap tequila

hotter than a stolen rolex  
hotter than late night phone sex  
hotter than the back seat of a black jeep on a back  
street

oh, nikki don?t stop  
love me so good  
i gotta take a week off  
nikki don?t stop  
til i?m outta breath til i?m red hot  
nikki don?t stop  
give it all you got  
havin? you alone  
is like living a dream

hotter than your swollen lips  
your wet fingertips  
hotter than your blushing face  
pressed against a pillow case  
hotter than your waistline  
movin? up and down mine  
hotter than you half open  
half open

oh, nikki don?t stop  
love me so good  
i gotta take a week off  
nikki don?t stop  
til i?m outta breath til i?m red hot  
nikki don?t stop  
give it all you got  
havin? you alone

your jean skirt on the floor  
my t-shirt hangin? on the headboard  
don?t get up, there?s someone at the door

don?t get up  
nikki gimme more

nikki don?t stop  
?til our thighs and our toes cross  
nikki don?t stop  
?till i can?t breathe  
?til i can?t believe  
what a super freak you are, you are

nikki don?t stop  
i wanna take a week off  
nikki don?t stop  
i wanna hit the sweet spot  
nikki don?t stop  
give it all you got (x3)  
oh, nikki don?t stop (x4)
