Sometimes it rains (seefried/christodal)

She goes down to the park
Nearly every single day
To feed a need she believes goes away

Friends don't lie but they try
To pretend there is no pain
Sometimes it rains...

Sometimes it rains
Does it make you wanna cry
All the tears up in the sky
There is laughter there is pain
Life aint just those sunny days
Sometimes it rains

Desolation lays ahead
And remembers every name
We all go there like you do
When you need to be afraid
She don't matter but you need
To believe in something true
It's all on you

C'mon hold your tears inside you now
Take your turn to...
