Do you love me, baby?
Do you love me, baby, no?

My mind's so messed up, I can't even sleep
When I get to the table, I can't even eat
I go to bed at night, you will think it was a dream
But when I need you, baby, you're somewhere in the
street

Do you love me, baby?
(Do you love me?)
Oh Lord, do you love me, babe?
(Do you love me?)

Do you love me, baby?
(Do you love me?)
Do you love me, baby, baby?
(Do you love me? Do you love me?)

I know you're pretty, [Incomprehensible]
Without you baby, there's no connection
All your love and affection
You're about to kill me with your neglecton

Do you love me, baby?
(Do you love me?)
Do you love me, baby?
Lord, have mercy

Do you love me, darling?
(Do you love me?)
Do you love me, baby?
(Do you love me? Do you love me?)

When I see you baby, I begin to sweat
You don't believe me, touch me, honey
My cloth is soakin' wet

Do you love me baby?
(Love me, baby)
Do you love me, baby, baby?
(Do you love me, love me?)

Do you love me, darling?
Do you love me, baby?
(Do you love me? Do you love me?)

When I see you, baby, I begin to sweat
You don't believe me, touch me
My cloth is soaked and wet

Do you love me, baby?
(Do you love me?)
Do you, do you love me, baby?
(Do you love me?)

Do you love me, baby?
(Do you love me?)
Do you love me, baby?
(Do you love me? Do you love me?)

Do you love me, baby?
(Love me, baby?)
Do you love me, baby?
