So long, oh how I hate to see you go  
So long, oh how I hate to see you go  
And the way that I will miss you  
I guess you will never know

We've been together so long, to have to separate this  
way  
We've been together so long, to have to separate this  
way  
I'm gonna let you go ahead on baby  
Pray that you'll come back home some day

You said you once had loved me, but now I guess you  
have changed your mind  
You said you once had loved me, but now I guess you  
have changed your mind  
Why don't you reconsider baby  
Give yourself just a little more time
