Something's on your mind, you're not tellin' me  
I can see the change you made  
Babe, it's killin' me, what can I do, Lord?

What can I say to change your mind?  
Yeah, you still love me, baby  
Try to be just a little more kind

You know it hurt me so bad when you act like a fool  
Baby, I just don't know what I'm gonna do with you  
I'll try to love you, you make it little rough

Everything I'm tryin' to do, baby  
It's not enough, I'm not gonna lie  
It hurt me so bad to say goodbye

Baby, what's wrong, you wanna walk away?  
Work hard for you, baby, 18 hours a day, look  
Give you all my love, my mind too

You got me so confused, baby, I don't know what to do  
But I keep workin', tryin' to keep you satisfied  
[Incomprehensible] baby, [Incomprehensible]  
Try, try, try, try, try, try, try, try, try
