Tramp
You can call me that
I don't wear continental clothes stetson hats

But I'm a lover
Mama was papa too
I'm an only child
Loving is all I know how to do

Huh
Call me country right from the woods
I'll answer when you call me
That is baby if it makes you feel good
But I'm just a lover
Mama was papa too
But I'm an only child
Loving's all I know to do

Now whatever you call me
I'll ever go with that
'Cause I keep a fat bankroll in my pocket baby
You know I own three Cadillacs
'Cause I'm just a lover
Mama was papa too
I'm an only child
Loving's all I know to do
