Hey Hey Hey Hey  
Hey Hey Hey Hey

Go with an attitude  
Heart full of royal blood  
If you want to rise above  
Don't wonder in the mud

This game mentality  
It will not set you free  
Is that the life you want?  
Go to the lives you taught

White boy, white boy  
Don't be crazy  
White boy, white boy  
Don't be bad  
White boy, white boy, white boy  
White boy, white boy  
Don't, don't you go bad no no no no  
Don't you go bad no no no no

Victims in alleyways baptizing in your filth  
This path of life you want  
It just might be your last  
Cause my reality, retain mentality  
All together and one for all  
The clock ticks to your downfall

White boy, white boy  
Don't be crazy  
White boy, white boy  
Don't be bad  
White boy, white boy, white boy  
White boy, white boy  
Don't, don't you go bad no no no no  
Don't you go bad no no no no

White boy, white boy  
Don't be crazy  
White boy, white boy

Don't be bad  
White boy, white boy, white boy  
White boy, white boy  
Don't, don't you go bad no no no no  
Don't you go bad no no no no

White boy, white boy  
Don't be crazy  
White boy, white boy  
Don't be bad  
White boy, white boy, white boy  
White boy, white boy  
Don't, don't you go bad
