Sometimes I can't believe it's really true
That you could love me like you say you do
I look around and I don't understand
I'm not much more than any other man

I have no treasure but what's in my eyes
And I know that I'm a fool but it's all that I can do

I'd make any kind of sacrifice
Just to see you, just to see you
I'd climb the mountain and I won't think twice
Just to see you, just to see you

I never thought my chance would ever come
But here I am and I'm the lucky one
And when I find my hope is almost gone
You give me strength, enough to carry on

I have no treasure but what's in my eyes
And I know that I'm a fool but it's all that I can do

I'd make any kind of sacrifice
Just to see you, just to see you
I'd climb the mountain and I won't think twice
Just to see you, just to see you
Just to see you, just to see you

I have no treasure but what's in my eyes
And I know that I'm a fool but it's all that I can do

I'd make any kind of sacrifice
Just to see you, just to see you
I'd climb the mountain and I won't think twice
Just to see you, just to see you
Just to see you, just to see you

Just to see you
I'd make any kind of sacrifice
Just to see you, baby
I'd climb the mountain and I, I won't think twice
Just to see you, just to see you
