[Originally by the Gonads]

Don't know who I insulted maybe it was you  
Drinks I had resulted in a tirade or two  
I went down town to get into trouble  
I accomplished that  
Drank some drinks flew off the handle  
Right off of the bat

Drinks before dinner and wine with dinner  
And after dinner drinks  
Before I chunder help me Rhonda  
Look for my cufflinks  
Come with me and you will see that it will be alright  
Rudolph the red-nose wino's gonna guide our sleigh  
tonight

Sometimes when I drink too much  
The next day I can't think  
Sometimes when I drink too much  
The next day I can't drink  
Sometimes when I drink too much  
I feel like throwing up  
Sometimes when I drink too much  
I can not get it up

Drinks before dinner and wine with dinner  
And after dinner drinks  
Before I chunder help me Rhonda  
Look for my cufflinks  
Come with me and you will see that it will be alright  
Rudolph the red-nose wino's gonna guide our sleigh  
tonight

Say a drink will shrivel my liver and also wreck my voice  
My hero is Lenny Miller and I like Yootha Joyce  
Know a cozy little joint where you and I could romp  
Let us spend the last weekend at the wrong end of a  
stomach pump

Drinks before dinner and wine with dinner  
And after dinner drinks

Before I chunder help me Rhonda  
Look for my cufflinks  
Come with me and you will see that it will be alright  
Rudolph the red-nose wino's gonna guide our sleigh  
tonight
