Ask the question  
Am I on the blacklist?  
How long can this go on?  
And... If I pull will you resist?  
Are you the bleeding Christ?  
And am I the mongrel dog?

If I knew you were so far gone  
I'd have run right out and bought you (me/us) a bottle  
But then again, you were always kinda' the lonely one

I met an old friend yesterday  
He's gone to Vancouver  
He just left his wife and kids  
What a sly manoeuvre  
So drunk the night he left  
He was too drunk to recover  
Now I'm digging old bones
