[Intro:]

This one is dedicated to the suit-wearing arms dealers  
To the champagne-sipping depleted uranium droppers

[Hook]

Keep your hand on your gun  
Don't you trust anyone  
Keep your hand on your gun  
Don't you trust anyone

[Verse 1:]

First in my scope is BAE Systems  
Specialize in killing people from a distance  
Power is a drug and they feed the addiction  
Immediate deletion of people's existence  
Who says what is and what isn't legitimate resistance  
To push the buttons you don't need a brave heart  
State of the art darts leave more than your face  
scarred  
You might impress an A&R with your fake bars  
Cause you probably think Rolls Royce only make cars  
This is for the colonizers turned bomb-providers  
Take this beef all the way back to Oppenheimer  
They call it warfare but your wars aren't fair  
If they were there'd be suicide bombers in Arms Fairs  
Scam for the funds, they will mangle your son  
If you try to speak out they will stamp on your tongue  
To your land they will come till you stand up as one  
It's begun

[Hook]

[Verse 2:]

Next in my scope is Lockheed Martin  
They will tell you when the bombs need blastin'  
Don't think, just listen to the songs, keep dancin'  
Do they really want us to have our own brains  
Who do you think is really running Guantanamo Bay  
And it might be sensitive but I'll mention it  
Who do you think has got us filling out the censuses  
Who do you think is handing out the sentences  
This ain't the BBC so there's no censorship

Heard of many mercenaries gettin' with the clever  
pimp  
Not a gun seller but none's better than Erik Prince  
Make money off many things, mainly it's crime  
This one is dedicated to the Raytheon 9  
Scam for the funds, they will mangle your son  
If you try to speak out they will stamp on your tongue  
To your land they will come till you stand up as one  
It's begun

[Hook]
