[Intro]

This track is not an attack upon the American people  
It is an attack upon the system within which they live  
Since 1945 the united states has attempted to  
Overthrow more than 50 foreign governments  
In the process the us has caused the end of life  
For several million people, and condemned many  
millions  
More to a live of agony and despair

[Verse 1]

The strength of your dreamin  
Prevents you from reason  
The American dream  
Only makes sense if you're sleepin

It's just a cruel fantasy  
Their politics took my voice away  
But their music gave it back to me

The land where their \_\_? Or consumed by consumption  
Killing themselves to shovel down food and abundance  
I guess a rapper from Britain is a rare voice  
America is capitalism on steroids

Natives kept in casinos and reservations  
Displaced slaves never given reparations  
Take everything from Native Americans  
And wonder why I call it the racist experiment

Afraid of your melanin  
The same as it's ever been  
That aint gonna change  
With the race of the president

I see imperialism under your skin tone  
You could call it Christopher Columbus syndrome

[Chorus 2x]

Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?

Doesn't make any difference when they bomb your  
nation

O! Say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last  
gleaming  
Whose broad stripes and bright stars through perilous  
fight  
O'er the ramparts we watched were so gallantly  
streaming

[Verse 2]

The world's entertainer  
The world's devastator  
From Venezuela  
To Mesopotamia

Your cameras lie  
Cause they have to hide the savage crimes  
Committed on leaders that happen  
To try and nationalize

Eating competitions while the world's been starvin'  
Beat up communism with the help of bin-laden  
Where would your war of terror be without that man  
Every day you create more Nidal Hassans

Kill a man from the military, you're a weirdo  
But kill a wog from the Middle East you're a hero  
Your country is causing screams that are never  
reaching ear holes  
America inflicted a million ground zeros

Follow the dollar and swallow your humanity  
Soldiers committing savagery you never even have to  
see  
Those mad at me, writing in emails angrily  
I'm not anti-America, America is anti-me

[Chorus 2x]

Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?  
Doesn't make any difference when they bomb your  
nation

And the rocket's red glare,  
The bombs bursting in air,  
Gave proof through the night  
That our flag was still there,

O! Does that star spangled banner yet wave  
O'er land of the free and the home of the brave

[Verse 3]

I don't care if him and Cheney are long lost relations  
What matters more is the policies I lost my patience  
Stop debating bringing race into conversation  
Occupation and cooperation equals profit makin

It's over - people wake up from the dream now  
Nobel peace prize, jay z on speed dial  
It's the substance within, not the colour of your skin  
Are you the puppeteer or the puppet on the string

So many believe that they was instantly gonna change  
There was still Dennis Ross, Brzezinski And Robert  
Gates  
What happened to Chas freeman (APAC),  
What happened to Tristan Anderson it's a machine that  
Keeps that man breathing

I have the heart to say what all the other rappers aren't  
Words like Iraq, Palestine - Afghanistan  
The wars on, and you morons were all wrong  
I call Obama a bomber Cause those are your bombs
