LSG Lyrics

Love Hurts

1 - Lovin' hurts baby sometimes  
Don't you agree  
I promise to love you for life  
Girl you will see

Dry your eyes baby  
There's no need to cry, no, no, no  
He broke your heart baby  
So won't you give my love a try, baby

Girl, why don't you dry your eyes  
There is no more need to cry  
I won't hurt you like he did  
I got so much love to give  
What you need is a man like me  
Who can give you all you need  
You don't have to be sad no more  
Love is knockin' at your door

Repeat 1

He left you lonely  
Left you drowning in tears  
Yes he did baby  
Now when it comes to love, babe  
You have nothing but fears  
You don't have to be afraid baby, no

I know love has done you wrong  
But girl, you must be strong  
Girl, just put your trust in me  
I'll show you how love should be  
I won't do you like he did  
I got so much love to give  
Girl, would you hold me tight  
I'll love you with all my might

Repeat 1 until fade
