Body

My body, your body
(All over your body, baby)
My body, your body
My body, your body
(All over my body, girl)

My body, your body
All over my body girl
My body, your body
(All over your body, baby)
My body, your body

My body, your body
(All over my body)
My body, your body
My body, your body
All over my body, girl

In the middle of the night
When my body's feenin' for you, baby
Gotta call you up and let you know
It's what I'm feelin', baby

Nine one one zero zero twenty-four
Baby, it's an emergency
I'm callin' 'cuz gotta have some more
How would you like if I lay you down
(If I lay you down)
Would you like it if I was to sex you down

I can't think about nothing else
You sentulate me with your love
It ain't no secret, girl
Your body fits me like a glove

My body all over your body, babe
(Baby, it's your body, babe)
Your body all over my body, babe
(Yours over mine)
My body all over your body

It's your body, baby
(It's yours all over, over your body, babe)

My body all over your body, babe
(It's your body, yeah)
Your body all over my body, babe
(I cling to your body, baby)
My body all over your body
(Baby, it's your body, babe)
Oh, it's your body babe
All over my body, girl

Wanna fill you up till your river flows all over me
Wanna feel your precious treasure
Wrapped around me, oh, so tightly
In, out, I wanna hear you shout

Won't you come on, baby, let me break you off
I guarantee I'll turn you out
How would you like if I lay you down
Would you like it if I was to sex you down

Baby, girl stop fighting you know
You want me just like I want you
Never had a lover that would do
The things that Johnny can do

My body all over your body, babe
(It's your, yeah)
Your body all over my body, babe
(Said, it's your body)
My body all over your body
It's your body, babe
(It's yours body, babe)
All over my body, babe
(My body)

My body all over your body, babe
(Said, it feels so good)
Your body all over my body, babe
(Said, it feels so nice, so nice)
My body all over your body
(It's your body, babe)
Oh, it's your body, baby
If I beg, please, play on

My, my, my body, yeah
Keep on playin' on

It's your body, body, body, body, body
Your sexy body, all over my body, babe

It's your body, body, body, body, body
Your fine body, all over my body
(Baby, it's your body)

My body all over your body, babe
(My body all over your body)
Your body all over my body, baby
(Could you feel me, baby)
My body all over your body
(Oh)
It's your body, babe
(Yeah)
All over your body
(Give me your body, baby)

My body all over your body
(All over your body)
Your body all over my body)
(It's all I need, all I want)
(Can't you feel me)
My body all over your body
(Oh, baby, it's your body, baby)
Oh, it's your body, babe
Feel me, your body

It's your body, baby
