This is a shakedown
(All over your body)
Oh, yeah
Ooh, ooh

(All over your body)
(All over your body)
Sweat, come on

Knock, knock it's me
I'm at the door open up I'm ready
(I'm ready to serve you)
'Could you been holding out on me
I got a warrant for you search and seize
(All over your body)

And please believe
I got my handcuffs with me
And I'm ready to use them
You're number 1 on my most wanted list
So baby, come and get your punishment
(Freeze)
Freeze this is a

Shakedown, all the way down
All over your body, all over your body
Put your hands up, spread your legs out
Shakedown, shakedown

(This is a)
Shakedown all the way down
All over your body, all over your body
Put your hands up, spread your legs out
Shakedown, shakedown

JG sing
You're coming with me
You can come quiet or make all the noise you need
(Scream, shout)

You're staying overnight
You can't bail out unless you're acting like I like

(Let me read your rights)

(One)

You got the right to remain silent

(Two)

You caught, your case and you can't fight it

(Three)

So you might as well ride it and ride it until you drop

(This is a)

Shakedown all the way down

All over your body, all over your body

Put your hands up, spread your legs out

Shakedown, shakedown

Shakedown all the way down

All over your body, all over your body

Put your hands up, spread your legs out

Shakedown, shakedown

I'm gonna shake you down

I'm gonna break you down

I'm gonna shake you down

I'm gonna take you down

We the jury of LSG

Find you guilty and we're gonna make you scream

(Make you scream, yeah)

So be a good girl and come with me

Do your time for the night and we'll set you free

Shakedown all the way down

All over your body, all over your body

Put your hands up, spread your legs out

Shakedown, shakedown

Shakedown all the way down

All over your body, all over your body

Put your hands up, spread your legs out

Shakedown, shakedown

Just the way you like it, baby

Just the way you need it, baby

Said all over your body, baby

Hands up

Said can you feel me, can you feel me

Shakedown all the way down

All over your body, all over your body

Put your hands up, spread your legs out

Shakedown, shakedown
