Mmm, hmm
Yeah yeah
Mmm hmm

I have never been so much
In love before
What a difference a true love made in my life
So nice, so right

Lovin' you made me something new that I've never felt
Never dreamed of
Something's changed , though it's not the feeling I had
before
Oh, oh, oh, it's much, much more

Love, I never knew that a touch, hmm
Could mean so much, mmm, hmm, hmm
What a difference and when we walk hand in hand
I feel so real

Lovers come and then lovers go, that's what folks say
Don't they know
They're not there when you love me, hold me and say
you care
And what we have it much more than they could see

What we have it much more than they could see
What we have it much more than they could see
What we have it much more than they could see
What we have it much more than they could see
What we have it much more than they could see
What we have it much more than they could see
And what we have it much more than they could see
What we have it much more than they could see
What we have it much more than they could see
What we have it much more than they could see
