He condones  
Clandestine liaisons  
Even though he knows  
The throes of lust  
Are wrong  
For a man of the cloth  
It seems  
There are no in-betweens  
Committing adultery  
In the depths of his soul  
He's giving in  
He's living in  
Sin  
Secrets and sins  
Living in fear of transgression  
Leading him in  
Into temptation and sin  
Secrets and sins  
Questioning all he believes in  
Fools never win  
Living in  
Secret and sin  
He recites  
Devotions through the night  
Clinging to  
The very fibre  
Of his vows  
Yet he's pulled  
By the gravity  
Of beauty only seen  
On walls of sistine chapels  
Walls of dreams  
He's giving in  
He's living in  
Sin  
Secrets and sins  
Living in fear of transgression  
Leading him in  
Into temptation and sin  
Secrets and sins  
Questioning all he believes in

Fools never win  
Living in  
Secret and sin  
Oh, ismeralda i'm torn  
In sanctimonious wars  
But it's you i adore  
He's giving in  
He's living in  
Sin  
Secrets and sins  
Living in fear of transgression  
Leading him in  
Into temptation and sin  
Secrets and sins  
Questioning all he believes in  
Fools never win  
Living in  
Secret and sin
