I with my hand in the air  
you with your suspicions swear  
guilt by association  
there is no justification  
no reason at all  
when you point the finger  
I take the fall  
I have walked the road  
with no deviation  
(always innocent)  
Now I feel the sting  
of your accusation  
(always innocent)  
I and a thousand alibis  
ready to try and verify  
my innocence is all I have  
no justification  
but it's always the same  
when you point the finger  
I take the blame  
repeat chorus  
I know it isn't right  
I shouldn't have to fight  
for my vindication  
but I won't take the blame  
no more  
repeat chorus  
I'm innocent  
always innocent  
fade to close
