feeling empty inside  
got a hole in my soul  
that's ten feet wide  
and I'm sinking deeper  
everyday  
seems like everybody I see  
is simply trying  
to be redeemed  
but the saviours  
are few and far between  
people sing...

[chorus]

hey yeah what about us  
a little salvation's what I'm  
thinking of  
I need somebody to come  
and rescue me  
a little salvation  
a little salvation  
feeling lonely inside  
got a hole in my heart  
that I can't hide

and it's getting deeper  
everyday  
feels like everybody and me  
we're simply crying out  
for some love  
I need a little  
somebody  
to come  
and set me free  
people sing...  
repeat chorus  
gimmie gimmie gimmie  
a quick fix  
I need some now  
I can't wait for the saints  
to turn my fate around  
you know hell and damnation's just  
salvation upside down  
repeat chorus twice
