Your body  
Is in the temple  
Of the Holy Ghost  
But if you'd rather burn  
It's of no concern  
To me, or the Host  
Behold the fire  
In these  
Temples of desire  
I shall be your sanctifier  
Temples of desire  
I shall be your crucifier  
My body  
Is in the temple  
Of the innermost  
Thou shalt fling thy soul  
Into the blackest hole  
For me and the Host  
Behold the fire  
In these  
Temples of desire  
I shall be your testifier  
Temples of desire  
I shall be your crucifier  
Temples of desire  
I shall be your sanctifier  
Temples of desire  
I shall be your purifier  
Temples of desire  
I shall be your testifier  
Temples of desire  
I shall be your crucifier
