Damn you with dirt and tears
Damn you for years and years
Damn you here's the vision
Damn you two incisions
Run your fingers through throbbing flesh
So lavishly so hungrily
No foolish tricks no crucifix
Nothing can save you now
Damn you Damn you Damn you Damn you
White face young man so horrified
Down on your knees
That's where your squeeze
It's time to pray not time to say
The Devil made me do it.
Damn you Damn you Damn you Damn you
Leather bound lives of the saints
On a wind swept ocean beach
Teeth sink into flesh
They suck like a leech
Her lips was all I could see
She said get thee behind me
I said sure thing, I like it that way
In The Flesh Of Your Temples
Is where I pray
Damn you with dirt and tears
Damn you for years and years
Damn you here's the vision
Damn you two incisions
Fear waltz with grace
Your fellow man succumb to me
So come in me
As I'm in you, all the way through
Nothing can save you now
Damn you Damn you Damn you Damn you
I recall my last sunrise
You seeped through my skin
Teeth sink into flesh, they sucked it all in
Your lips were cold as ice
But your fire burnt like the sun
I pledged my oath forever that day
In The Flesh Of Your Temples
Is where I pray

Damn you
