Loneliness is to live in a world with no one there
you fall on your knees in prayer
asking God for rescue, no one there
I shall die as my years drag by
Oh why? why me Lord?

I hear the rattles and tatters of home
kick over the buckets of the wells run dry
I can see, but I don't care
nothing is the best gift you can find

peru resh

on my past suffering
your voice is at last, smothering
to hell with your excuses
what do you know of desperation

of dark eyed angels in a desperate hell
in a desperate hell
I hear the rattles and tatters of home
thrown over the edge, my eyes are dry
I sit in the darkness of my own device
and search my soul for a paradise

peru resh

eat my flesh and drink my blood
tomorrow I'll be crucified
eat my flesh and drink my blood
tomorrow I'll cry
yes, tomorrow I'll... die

loneliness is to live in a world with no one there
release the stroke of virtue and despair
I shall die as my years drag by
