Dear Elyrics the lyrics for this song are correct but when I've submitted them I was wrong with the Band name.

The correct band is "The Cure" not Christian Death.

Please would you correct this mistake.

Thanx!

“One by one they drop” you said
“Left us two on a ride stopped dead... ”
“It’s monkeys on the track
All fell out of their tree...
Lost their tails” I said
“In the deep dark sea... ”

So take me on the ice and push me around
And every time I fall I kiss the ground
You skate on by without a sound
Yeah I’m in love with you cold
Any warmer and I drown

Whatever you want
Whatever you need
Oh anything at all
I’m only here to please you
In any way I can
There’s really nothing in the world
I won’t do
To get a New York Disney smile from you

Ow! You’re so beautiful it hurts
Ow! The most beautiful girl I ever...
Ow! Too beautiful for words
Now please! Inside beside me
And let’s take on the world
“One by one they drop” you said
“Left us two on a ride stopped dead... ”
“It’s hard to be sure
But I swear they’re whales
Swimming down the line
Spitting monkey tails... ”

So drag me on the floor and get me to twirl

And every twist around I buss you first
You spin right through
A perfect blur
Yeah Iâ€™m in love with you quick
Any slower and I burst

Whatever you want
Whatever you need
Yeah anything at all
Iâ€™m only here to please you
In any way I can
Thereâ€™s really nothing
I wonâ€™t do
To get a New York Disney smile from you

Ow! Youâ€™re so beautiful it hurts
Ow! The most beautiful girl I everâ€™...
Ow! Too beautiful for words
Now please! Inside beside me
And letâ€™s take on the world

â€œOne by one they dropâ€ you said
â€œLeft us two on a ride stopped deadâ€¦ â€
â€œItâ€™s vultures on the rail
And theyâ€™re packed down tight
Best get closeâ€ I said
â€œThis could take all nightâ€¦ â€
