Burning crosses on a nigger's lawn  
Burning dollars, what's a house without a home?  
Dance in your white sheet glory  
Dance in your passion

Talk about sugar on the six fingered beast  
Conversations about the holes in your hands  
Walk through the garden of man's desire  
Conversation about the kingdom of fire  
Conversation about the kingdom of fire

What's that moving in the basement?  
What's that moving in the attic?  
Who's that walking in the shadows?  
Who's that walking in the streets?

Kiss on my hand after dark  
Hand for a kiss after dark  
Kiss on my hand  
A kiss on my hand  
A kiss on my hand

Romance in sequence harmful to the blind  
Burning hearts through the top of your skull  
Dance in your white sheet glory  
Dance in your passion

Your days are numbered with creations in your pocket  
Your days are numbered with the love in your eyes  
Love in your eyes  
Love?

What's that moving in the basement?  
What's that moving in the attic?  
Who's that lying on the altar?  
Who's that lying in the streets?

A kiss on my hand after dark  
Hand for a kiss after dark  
Kiss on my hand  
A kiss on my hand  
A kiss on my hand

A kiss on my hand

Pull down the sheets and take off your clothes  
Get out of bed, I'm so tired, I'm so tired  
Pull down the sheets and take off your clothes  
Get out of bed, I'm so tired, I'm so tired  
I'm so tired
