

Christian Death "Torch Song"

Visit "[Torch Song](#)" on MotoLyrics.com

there is no sound or meaning - the world is dead
for five entire nights emitting no decisive life
crushed into dust or sorrow - fade away a lifetime lost
in vain,
stumbling towards the death of faith solemn men dwell
deep within
i know not how I should fly, waiting for the fall
a land of light awaits us on this side, or not at all
i know not how I should fly, calling out to you
nameless angel, face the death of faith which cripples
you
there is no sound or meaning - the world is dead the
world is dead
days of mourning, night to follow drawing to a close
dawn is breaking, amputate the thoughts that you love
most
never in the hand, no seas of sand and resin
there's love on crutches which always plays a part in
the game of sorrows last remembrance, Sorrow's last
remains
there is no sound or meaning - the world is dead
