Illusion, Division  
Transcendence of angels' aeon  
Poetic, Romantic  
Cosmic alchemy

Ethereal, Material  
Eternal but still so mortal  
Arcana, Sovrana  
Mother of all dreams

Emotion, Devotion  
Grand mirror of souls horizons  
Lost frequency reflected  
On the velvet sea  
Wide open dream

Intensive, impressive  
Lost fractal of chaos and order  
Refraction of wonders  
Of atomic source

Ambition, Devotion  
Grand mirror of souls emotion  
Lost frequency reflected  
On the velvet sea  
Wide open dream

Mother of Golden sunshine,  
Mountains and oceans  
Free all the splendor of your conscience  
And reveal your mystic spirit to your son

My queen of moon and sunlight  
Paint skies with rhymes of love  
Lie in the infinity of cosmos  
And embrace my lost eternal soul

Mother of Golden sunshine,  
Mountains and oceans  
Free all the splendor of your conscience  
And reveal your mystic spirit to your son

Mother of Golden sunshine,  
Mountains and oceans  
Free all the splendor of your conscience  
And reveal your mystic spirit to your son

My queen of moon and sunlight  
Paint skies with rhymes of love  
Lie in the infinity of cosmos  
And embrace my lost eternal soul  
Mother of all
