"War Of The Universe"

Visit "[War Of The Universe](#)" on MotoLyrics.com

Cosmic terror of the universe BEWARE!
Mighty energies of mystic wars ANGELS CALL
Soon will be born a mortal who will dare
STARS WANT it's FALL

There between two astral worlds
Lie dark seeds of eternal war
Far beyond the silent holw where
Meteors paint a crystal storm
Through the eons without space
Where swallowed is the concept: time
Systems burning and colliding
Form the chaos, dark and light

Black holes, comets
Blazing thunders...
Fragments of the divine born

WAR OF THE UNIVERSE
OF COSMIC ENERGIES
OF PHANTOMS RIDING
THE GENESIS OF ALL
SONS OF THE UNIVERSE
FOREVER FIGHTING
THROUGH EVERY AGE
CONDEMNED TO FACE THIS LONG HOLY WAR

Parallax of suns create
Geometry of moons unborn
Spread the knowledge of the creatures
Between curious there and not
Comets' riders
Astral fighters
Heroes of celestral shores

WAR OF THE UNIVERSE
OF COSMIC ENERGIES
OF PHANTOMS RIDING
THE GENESIS OF ALL
SONS OF THE UNIVERSE
FOREVER FIGHTING

THROUGH EVERY AGE
CONDEMNED TO FACE THIS HOLY WAR...

Cosmic terror of the universe BEWARE!
Mighty enemies of mystic wars ANGELS CALL
Soon will be bron a mortal who will dare
STARS WANT it's ALL
