Secrets along the Nile
Kept in the pharaoh's eye
Giza's great trinity
Orion on earth revealed

Ruins and manuscripts
Rewrite old theories
Saurid's 4th dynasty
Numbers, new science, myth

Pyramids and stargates
Sacred phi and code divine
Mystical relation
One point six eight
Astral translation
of ancient might
Cosmic proportion
And great creation between
Pyramids and stargates
Pyramids and stargates

Temples for ancient gods
Solstice and equinox
Aliens' galactic dream?
Hi-tech old colonies?

Deserts immortal wind
Where lies the cosmic link?
Somewhere beyond the sun
Wisdom of dying stars

Pyramids and stargates
Sacred phi and code divine
Mystical relation
One point six eight
Astral translation
of ancient might
Cosmic proportion
And great creation between
Pyramids and stargates
Pyramids and stargates

Ruins and manuscripts
Rewrite old theories
Saurid's 4th dynasty
Numbers, new science, myth?

Pyramids and stargates
Sacred phi and code divine
Mystical relation
One point six eight
Astral translation
of ancient might
Cosmic proportion
And great creation between
Pyramids and stargates
Pyramids and stargates

One point six eight..
