Upon the wall
The great medallion
The gothic arch
The living shadows
Real smell of myth and legend

The hall of throne
In all it's splendour
Around the ruins
True inspiration
Testament of ancient battles
Ancient battles

SHY CANDLELIGHT
WARM THIS LONELY SILENT HALL
COLD NIGHT SHARE
LOST SOULS, GHOSTS
MYSTIC FEELINGS
HOLY SHADES OF ETERNITY

My silver moon
Unveil the manor
The secret door

Hiding the treasure
Of old energies forgotten

Abandoned hill
Romantic silence
Ethereal myst
Nocturnal flavour
Starless night I am a favoured
I'm a favoured

SHY CANDLELIGHT
WARM THIS LONELY SILENT HALL
COLD NIGHT SHARE
LOST SOULS, GHOSTS
MYSTIC FEELINGS
HOLY SHADES OF ETERNITY
