Your wild life
Betrayed by men
Who raped my soul
Denying your fate
So sacrificed
To help your sister
Whale

I die in your pain
Brave son of ocean's depths
Killed to be an angel
Dolphin, my friend

Blue red sea
Revealing me
The sirens' cry
The whales' lament
Align your waves
And give me back
My friend

I die in your pain
Brave son of ocean's depths
I die in your pain
Brave son of ocean's depths
Killed to be an angel
Dolphin, my friend

I die in your pain
Brave son of ocean's depths
Killed to be an angel
Dolphin, my friend
